Mrs. Maciejewski said her son already took it right off. Mrs. Maciejewski complained about the smell of the trash can and the fly problem, she continued to say the flies are getting in her house and she has been spraying the area outside with raid because she does not want flies in her house.

Mrs. Maciejewski said now wires outside are all pulled out of the box outside and wires are hanging from upstairs, and this just happened. She said they are tearing that house apart. Mr. Bielskie stated they probably are telephone and tv wires.

Mr. Bielskie said they are going there tomorrow morning and he will see what we can do from there, he said we will give her a warning and if she does not do anything with a warning then we need to cite her and after that we will see what we can do.
